- k) Misc

Open Meeting

Supervisors Report

Upcoming scheduled meetings:

Town Board Meetings: ZONING public hearing, August 31, 2015 at 6:30 pm
Regular monthly meeting, September 21, 2015 at 7:00 pm

July 20, 2015

A workshop with the Town Board of the Town of Greenville and the Greenville Rescue Squad was held on Monday, July 20, 2015 at 5:30 pm at Pioneer Hall. Four board members were present; Councilman Stern was absent. There were 7 members of the Greenville Rescue Squad present (K. Aspenleiter, A. Scirico, F. Sickles, B. Toomey, R. Lang, T. Nugent, and C. Powell III), as well as 4 guests. Supervisor Macko opened the meeting with the Pledge of Allegiance.

Supervisor Macko presented available options to consider on providing EMS service to the Town. These include contracting with the Greenville Rescue Squad, the Durham Rescue Squad, or using the proposed County-wide system. Discussion ensued. Mr. Macko wants to offer the best service at the most reasonable cost. It was suggested the Town Boards of Durham and Greenville meet to discuss how a combined service could meet the needs of the residents in both towns. Supervisor Macko will follow up with Durham Town Supervisor Bill Carr.

This workshop was adjourned at 6:30 pm.

The regular monthly meeting of the Town Board of the Town of Greenville followed at 7:00 pm. Four board members continued in attendance; Attorney Tal Rappleyea and 12 guests were present as well. Supervisor Macko repeated the Pledge of Allegiance.

Mr. Davis moved to accept the Clerk's minutes of June 15, 2015, seconded by Mr. Bensen. Carried 4 ayes

Oral and written reports were received from the Highway, Buildings and Grounds, Code, Planning and Zoning Boards, Sewer and Water departments. Additionally, concerns were brought to the Board's attention regarding discrepancies between the Town's fees at the Recycling Center and what Greene County charges. Appliances with Freon (Refrigerators, Freezers, Air Conditioners) are collected with a \$7.50 fee at the County site, and \$15.00 in Greenville.

Mr. Davis moved, seconded by Mr. Bear, to amend the fee schedule at our Recycling Center to be consistent with Greene County, and charge \$7.50 for appliances with Freon.

Carried 4 ayes

New business discussed at 8:00 pm:

The ZBA recommended changes be made in their fee schedule as well, to allow for multiple variances on one building site to be charged only one variance fee per project.

Mr. Bensen moved, seconded by Mr. Bear, to allow this change as outlined above.

Carried 4 ayes

Mr. Bear moved, seconded by Mr. Davis, to approve the FINAL ORDER APPROVING THE INCREASE IN THE ESTIMATED MAXIMUM AMOUNT OF EXTENSION AND

IMPROVEMENTS TO GREENVILLE SEWER DISTRICT #1 TO \$6,400,000, PURSUANT TO SECTION 202-b AND 209-h OF TOWN LAW; resolution attached.

Roll call requested:

Supervisor Macko	aye	
Councilman Bear	aye	
Councilman Bensen	aye	
Councilman Davis	aye	
Councilman Stern		absent

CARRIED 4 ayes, 1 absent

Mr. Bensen moved, seconded by Mr. Bear, to approve the SUPPLEMENTAL BOND RESOLUTION DATED JULY 20, 2015. A RESOLUTION AUTHORIZING THE ISSUANCE OF SERIAL BONDS OF THE TOWN OF GREENVILLE, GREENE COUNTY, NEW YORK IN AN ADDITIONAL AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$1,000,000 FOR A TOTAL OF \$6,400,000 PURSUANT TO THE LOCAL FINANCE LAW TO FINANCE AN EXTENSION OF AND IMPROVEMENT TO FACILITIES OF THE GREENVILLE SEWER DISTRICT #1 IN THE TOWN OF GREENVILLE, NEW YORK AND DELEGATING CERTAIN POWERS IN CONNECTION THEREWITH TO THE TOWN SUPERVISOR; resolution attached.

Roll call requested:

Supervisor Macko	aye	
Councilman Bear	aye	
Councilman Bensen	aye	
Councilman Davis	aye	
Councilman Stern		absent

CARRIED 4 ayes, 1 absent

Mr. Bear moved, seconded by Mr. Bensen, to approve awarding sewer contracts to J Squared Construction Corp, Brunswick Electric, Inc., D&E Contractors and Plumbing, LLC, and to allow the Supervisor to sign agreements as needed to commence construction.

Roll call requested:

Supervisor Macko	aye	
Councilman Bear	aye	
Councilman Bensen	aye	
Councilman Davis	aye	
Councilman Stern		absent

CARRIED 4 ayes, 1 absent

Mr. Bear moved, seconded by Mr. Davis, to direct Supervisor Macko to file an application for funds from the NYS Office of Parks, Recreation and Historic Preservation in an amount not to exceed \$500,000 for enhancement of Vanderbilt Park; resolution attached.

Carried 4 ayes

Mr. Davis moved, seconded by Mr. Bensen to set a policy to require all monthly bills to be submitted to the bookkeeper by the Monday preceding the monthly Town Board meeting where they will be audited, to allow for timely processing.

Carried 4 ayes

A proposal to replace and update lighting on Town property was received by Lime Energy Company, in coordination with available grant money.

Mr. Davis moved, seconded by Mr. Bensen, to update the exterior lighting at the Town Library at a final cost of \$2,304.65.

Carried 4 ayes

Supervisor Macko opened the meeting for public comments and questions at 8:14 pm:

Questions received about the lighting in Freehold, and repairs to the driveway in Town Park.

Mr. Bensen moved, seconded by Mr. Davis, to set a public hearing on the proposed 2015 Zoning Law on Monday, August 31st, 2015 at 6:30 pm in Pioneer Town Hall.

Carried 4 ayes

Mr. Bear moved to enter executive session at 8:30 pm to discuss collective bargaining negotiations per Article 14 of Civil Service Law, and proposed, pending or current litigation. Seconded by Mr. Davis.

Carried 4 ayes

Mr. Davis moved to return to regular session at 8:47 pm, seconded by Mr. Bensen.

Carried 4 ayes

No motions were made in executive session.

After audit, Mr. Bensen moved, seconded by Mr. Bear, to pay the following bills:

Bills 239 – 282 on General abstract #7 for \$16,673.51

Bills 158 – 182 on Highway abstract #7 for \$22,851.74

Bills 51 - 59 on Sewer abstract #7 for \$41,560.16

Bills 61 – 74 on Water abstract #7 for \$23,670.27

Bill 2 on Camp Malka abstract #2 for \$187.50

Bill 32 – 37 on Sewer BAN abstract #7 for \$7,291.33

Carried 5 ayes

After review, Mr. Bensen made a motion to accept the Supervisor's report for June, seconded by Mr. Bear.

Carried 5 ayes

There being no further business, Mr. Macko moved to adjourn at 8:50 pm.

Jackie Park, Town Clerk-Collector

SUPERVISOR MACKO

**Town of Greenville
Planning Board and Zoning Board of Appeals
Update: July 2015**

Planning Board July 28, 2015

Tryland, Preisner & Gorch- Subdivision @ 158 Highland Rd Tax Map #25.00-2-24- Subdivision
Since last month's meeting there were "2" notes added to new surveyed maps (note location plans).
Negative declaration for the SEQRA. Subdivision approved with condition that The Board be presented with acceptable Mylar maps that will show the "notes location plan".

Albert Vedder- Subdivision @ 710 Old Plank Rd Tax Map #23.00-5-25.11

Mr. Vedder was approved for a minor "3" lot subdivision on March 24, 2015. During the initial survey there was snow on the ground, which prevented accurate account of acreage. A new survey was completed and new maps drawn up. When the property lines were redone one of the divided lots (lot 1) was shorted 1.46 acres. Tal is aware of the situation and all paperwork is in order properly now.
Approvable of the revised maps showing that the South side of Lot 1 in the Town of Durham, will increase in size by 1.46 acres because of a stonewall missed during the initial survey.

County Update

Paul Macko presented to the Board that the County is updating their Hazard Mitigation Plan. If any of the Board members have concerns they want to voice or add they should submit them to the County or to Paul. Anything in regards to flood plans, fire, water, sewer, leach fields, etc.

Camp Malka

Paul Macko informed the Board that the addition of a new bunkhouse, which was to be built during this construction season, is no longer taking place. All plans are now on hold.

Meeting Time Change

All Planning Board meetings are now changed from 6:30pm to 7:00pm.

Next Planning Board Meeting: August 25, 2015

Tentative Agenda:

Zoning Board of Appeals July 14, 2015

Cumberland Farms- Sign Variance @ 4887 SR 81 Greenville Tax Map # 12.04-4-17

Cumberland Farms plans to install updated gas pump signs and an updated large company name sign with intermittent lighting, with LED lighting; which will change ever 8 seconds to display the regular price and the smart pay price.

Area variance questions/requirements read and have been met. Approval of "6" sign variances for an update to existing signs being changed to internal, intermittently lit (LED); 8 second changing signs granted.

Marc Guntert- Area Variance @ 297 Fox Hill Road Tax Map #36.00-3-22- Garage

The applicant is asking for a variance to adjust the setback on the road frontage from the allowed 60ft to 52ft.

Area Variance questions/requirements to be met read and have been met. Approval of an area variance for an adjustment in the road frontage setback requirement of 60ft to 52ft granted.

Next ZBA Meeting: August 11, 2015
Tentative Agenda:

Subject: Greenville, NY - Mavis Tire Center

Date: Wed, Aug 12, 2015 1:18 pm

Mark –

Thank you for taking my call earlier today. Per our discussion there has been no change to the application forms or zone code since last year. Ideally our submission will be received by the Town next Friday for the meeting on August 25th.

Should the submission be addressed to your attention or is there a new Clerk for the Planning Board that I should coordinate with?

I checked my records from last year and we submitted 10 copies. Please confirm that this is still acceptable. Also, we would like to have the referral to the County done ASAP so ideally the 30 day timeframe will have elapsed by the September meeting and not force an October meeting. If additional copies are needed for this, then please let me know.

Please also confirm that the meeting on August 25th is an introductory meeting, with the hearing taking place in September. As noted above, we could finish in September, providing there are no outstanding concerns and the 30 days has elapsed for the County review; otherwise an October meeting will be needed.

Also last year, Mary did the abutter notifications for the hearing and we simply had to send them out. Is this still the case, or do we have to complete the notifications and send them? If we do them, does the Town provide the list, or do we have to establish the abutter's list with the assessor's office?

Thank you for your assistance.

Town of Greenville
Jackie Park, Town Clerk-Collector
P.O. Box 38, Greenville, New York 12083
518.966.5055 extension 23

TO: Paul Macko, Supervisor and Chairman of the Town Board

FROM: Jackie Park, Town Clerk-Collector

DATE: August 3, 2015

RE: Term expirations

Dear Paul,

Per Town Law §25 I am responsible for notifying the Town Board, in writing, of the expiration of any undertaking or bond filed in my office at least thirty and not more than sixty days prior to the expiration. The following individual(s) term(s) will expire on 09-30-2015:

- Mrs. Dolores Glaudino, member of the Board of Assessment Review

She has indicated a desire to continue serving in this capacity.

Thank you for your attention to this matter.

Jackie

Trainee Form for 4-Hour ESC Training

New York State Department of Environmental Conservation
 Division of Water, 625 Broadway, 4th Floor **SWT#**
 Albany, New York 12233-3505

(for DEC or Delegate use only)

A Stormwater Trainee (SWT) identification (ID) number will be assigned to each person that completes the NYSDEC 4-hour training in the principles and practices of erosion and sediment control (ESC) to satisfy the State Pollution Discharge Elimination System (SPDES) Construction Activity General Permit #GP-0-08-001. Each trainee that wishes to obtain a wallet card with the SWT ID must provide the contact information requested below, including his/her home mailing address. The trainee must be prepared to show his/her NYS Driver License (or non-driver photo ID with proof of address) on the day of training to verify that the information below is correct. NYSDEC recommends that this form be completed as a PDF form on computer (or hand-written in blue or black ink) and sent to the training sponsor by the pre-registration deadline (in advance of the training) either by email or through the mail.

***IMPORTANT: RETURN THIS FORM TO THE TRAINING SPONSOR**

COMMUNITY PARTNERS OF GREENVILLE

Serving Freehold, Gayhead, Grapeville, Greenville, Greenville Center, Norton Hill, South Westerlo, Surprise

PO Box 252, Greenville, New York 12083

www.communitypartnersofgreenville.org

July 2015

To Whom It May Concern

Community Partners of Greenville is currently seeking support for the seventh annual Greenville Day celebration scheduled for Saturday, October 3, 2015. Our organization, formed in 1992 as the Greenville Citizen's Park Committee, is a non-profit that works to improve our area's parks, historic buildings, main streets, and common grounds and facilities. The group was formed initially to aid in the acquisition of Vanderbilt Park, an important recreational center for Greenville. Current activities include working with the town on improvements to the barns in Vanderbilt Park, support for the work of the Greenville Beautification Committee, and organizing Greenville Day, with food, fun and fireworks for the community to come together.

The schedule for Greenville Day 2015 includes activities by a variety of local community organizations including children's rides sponsored by the Rotary and a concert in Vanderbilt Park. Greenville Day 2015 also includes a breakfast hosted by the Greenville School Foundation, a community walk/run sponsored by the Greenville School District, a book sale by the Friends of the Library and bake sales by the Girl Scouts. There will also be an evening "Chili Challenge and Pie Contest" in the North Barn of Vanderbilt Park along with the fireworks and a bonfire.

Our plan is to attract residents, resort visitors and tourists to Greenville this weekend. We plan to print 3,000 flyers with business ads for distribution inside and outside the community. We will also have lawn signs to place outside of town and will send press releases to local papers and radio stations. Businesses that contribute \$100 to Community Partners will get an "ad" in the flyer that is about 2 inch by 3 inches. Those that contribute smaller amounts will be included in a "Thanks to" list on the flyer.

If you helped us create a successful Greenville Day in the past, we thank you and hope you will do so again. Checks should be addressed to "Community Partners of Greenville" and can be mailed P O Box 252, Greenville, NY 12083. If you have any questions, please contact Barbara Walter at 966-5161 or Brian Mulligan at 966-8303. Thank you in advance.

Sincerely,

Barbara L. Walter,
Treasurer

Greenville Citizen's Park Committee, Inc a/k/a Community Partners is a non-profit organization committed to the protection, preservation and development of natural and historic resources of the Greenville area. Monthly meetings are held the last Wednesday of every month at 7:00 pm in the Community Room of the Library. Your input and participation is always welcome. Please join us.

Ok

Will need to do this at the next board mtg on 8/18. I'll write up change order to add \$10,000. That will cover existing and some extra survey. We are contracting survey out to meet MWBE.

Alan,

Paul needs you to send in an amendment to increase your survey and testing amount because you went over your \$65,000 original budget. To date you have billed us for \$69,925.51. You can make the amended amount more than what has already been billed. Call me if you have any questions.

P.O. Box 485
West Main Street
Catskill, NY 12414

Re: SPEED LIMIT REQUEST
WILLOWBROOK ROAD/DRIVE
TOWN OF GREENVILLE
GREENE COUNTY

Dear Mr. Harvey:

In response to your July 31, 2014 request, we reviewed Willowbrook Road and Willowbrook Drive in the Town of Greenville for speed limit reductions.

Based on our review we have determined that a 40 MPH speed limit is warranted on both these highways. We have written Notices of Order establishing these speed limits and have filed it with the Secretary of State. Upon receipt of signed copies of these Orders, the Town of Greenville may arrange to have the appropriate speed limit signs installed in accordance with the NYS Supplement to the 2009 MUTCD.

In addition to the regulatory speed limit, the Town of Greenville may wish to conduct a review of this road to see if the addition of curve warning signs with reduced advisory speed panels would be beneficial.

If you have any further questions regarding this matter, please contact William Northup of this office at 457-5283.

Sincerely,

Mark J. Kennedy
Regional Traffic Engineer

Dear Municipal Leaders:

We are writing to invite you to attend a Catskill Creek Summit on Thursday, October 15 from 5:30 to 9:00 pm at Cornell Cooperative Extension's Agroforestry Resource Center. The purpose of this gathering is to bring together municipal leaders to discuss issues related to the Catskill Creek and to provide the opportunity for dialogue about concerns related to the creek and its tributary streams. We will also share information on services available to municipalities in the Catskill Creek watershed. Dinner will be served.

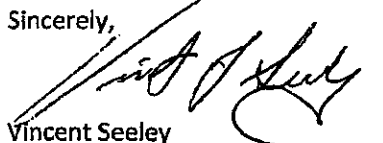

During 2014, the Village of Catskill participated in a Waterfront Resilience Task Force to explore strategies to minimize the impacts of flooding from the Hudson River and the Catskill Creek. The process was led by the NYS Department of Environmental Conservation's Hudson River Estuary Program and Scenic Hudson Land Trust, and task force members included elected officials, planning board members, business owners, residents and county agency staff. The result of the effort was a report that included 24 recommendations for steps that the Village can take to minimize flood risk. One of the recommendations was to convene a meeting with upstream communities to discuss flood impacts and to seek solutions for all municipalities coping with flooding.

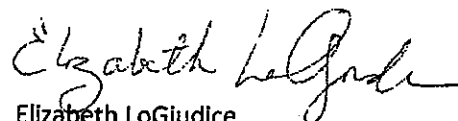

Additionally, Cornell Cooperative Extension has been coordinating watershed education and awareness efforts in the Catskill Creek for several years. The meeting will provide an opportunity to inform local leaders about accomplishments of the Catskill Creek Watershed Awareness project, as well as resources, funding and services available to assist with watershed protection and resiliency efforts.

We hope that members of your town board, planning board, as well as floodplain administrator, highway superintendent and other interested officials will join us at the Summit on October 15. A complete list of invitees to this meeting can be found on the reverse side of this letter. An agenda will be sent as the date approaches. We request an RSVP as soon as possible by calling 518-622-9820 x 0 or by registering online https://reg.cce.cornell.edu/creeksummit_210.

If you have any questions, concerns or require additional information, please do not hesitate to contact Liz LoGiudice from Cornell Cooperative Extension at am137@cornell.edu.

Sincerely,

To whom it may concern:

You are cordially invited to attend the Fourth Annual Dedication Ceremony of the Greene County Emergency First Responders' Memorial Monument on Friday, September 11th, 2015 at 11:00 a.m. at the Greene County Emergency Operations and Training Center, 25 Volunteer Drive, Cairo, New York. This monument commemorates all those Greene County First Responders who have given their lives in the line of duty, which includes Fire, EMS and law Enforcement/Corrections.

Please join us in honoring the memory of all those who have paid the ultimate sacrifice for the citizens of Greene County. We believe that these admirable men and women should never be forgotten and we will therefore honor them every year with a dedication ceremony.

Would you please R.S.V.P. at your earliest opportunity to emergency@discovergreene.com with the number of individuals who will be attending.

Sincerely,

Shaun S. Groden
County Administrator

New Energy-Efficient Street Lighting Options Approved For Central Hudson — More LED Street Lighting Will Lower Taxpayer Costs and Help Improve the Environment —

ALBANY — The New York State Public Service Commission (Commission) today approved a plan by Central Hudson Gas & Electric Corp. to provide energy-efficient street lighting to municipalities that are interested in having them installed. Under the proposal, municipalities in Central Hudson's service territory will now have the option to switching to cost-effective LED street lighting as a means of reducing their power expenses, carbon footprint and improving public safety.

"The Central Hudson proposal is just the type of utility innovation that we hope to see throughout the State," said Chair Audrey Zibelman. "The adoption of LED lighting can save municipalities up to 60 percent of their electricity costs for street lighting. Historically, municipalities could only achieve these savings through their willingness to take over ownership of the street lights from the utility, an expenditure many communities found they could not afford. With the Central Hudson proposal, municipalities will be able to achieve these savings without burdening taxpayers or other utility consumers."

In 2010, the Commission approved an additional option to Central Hudson's tariff to offer an LED street light that would be owned and maintained by the municipality. Today's decision expands upon that decision with the addition of utility-owned street lights. With approval of the new LED options, Central Hudson will be able to offer municipal customers who use utility-owned street lights the option to convert to LED street lights that Central Hudson will own and maintain.

The utility will offer four LED fixtures, each at a different wattage; 39W, 82W, 93W, and 153W. The approval of the new LED street lighting fixtures will be welcomed news for the municipalities in the region that had been asking for such a new option. Central Hudson performed a cost study for each LED fixture to determine the annual fixture charge required to recover the revenue requirement over the expected life of each of the four LED fixtures.

The LED annual fixture charges are lower than the majority of current street lighting fixtures in the company's service territory. Including the energy savings, all fixture types are estimated to provide annual savings. The savings for the majority of fixture types that would be replaced range from approximately \$30 to \$90, annually, per street light. There are approximately 25,000 such street lights in Central Hudson's service territory. With total conversion, annual taxpayer savings could approach \$1.3 million annually.

As part of this push to improve energy efficiency, Central Hudson will be replacing no less than 15 percent of company-owned fixtures in any municipality and no less than 25 percent of the company-owned fixtures in the company's service territory, based on requested volume. As a result, all

municipalities could have company-owned and maintained LED fixtures within four years, an aggressive change-over, but one that is achievable.

As street lighting technologies continue to advance, it will be important to take advantage of additional functionalities that can improve costs and public safety, while meeting and balancing both the environmental and economic impacts of conversions. To that end, universal outreach and education will be a key component to the overall success of LED street light conversion. The Commission also specified its desire to see similar plans from other utilities in the State. In New York City's case, the City owns the street lights and began converting in 2009. It is scheduled to complete the conversion in 2017.

About Reforming the Energy Vision

Under Governor Andrew M. Cuomo's Reforming the Energy Vision, New York State is spurring clean energy innovation and attracting new investment to build a cleaner, more resilient and affordable energy system for all New Yorkers. Reforming the Energy Vision encompasses groundbreaking regulatory reform to integrate clean energy into the core of our power grid, redesigned programs and strategies to unlock private capital, and active leadership in deploying innovative energy solutions across the State's own public facilities and operations. Reforming the Energy Vision will enable a dynamic, clean energy economy operating at a scale that will stimulate opportunities for communities across the state to create jobs and drive local economic growth, while protecting our environment by reducing greenhouse gas emissions and other pollutants. Successful initiatives already launched as part of Reforming the Energy Vision include NY Sun, NY Green Bank, NY Prize, K-Solar, and a commitment to improve energy affordability for low-income communities.

Today's decision may be obtained by going to the Commission Documents section of the Commission's Web site at www.dps.ny.gov and entering Case Number 15-E-0126 in the input box labeled "Search for Case/Matter Number". Many libraries offer free Internet access. Commission documents may also be obtained from the Commission's Files Office, 14th floor, Three Empire State Plaza, Albany, NY 12223 (518-474-2500). If you have difficulty understanding English, please call us at 1-800-342-3377 for free language assistance services regarding this press release.

Subject: Regional meetings for County mitigation plan update (Aug 24, Aug 25, Sep 16, Sep 17)

Date: Thu, Aug 13, 2015 4:52 pm

Attachments: Greene County Flyer.pdf (500K)

Good afternoon!

Regional public meetings are being held for the Greene County Multijurisdictional Hazard Mitigation Plan Update (see image below and attachment for details).

As an important stakeholder of your Town/Village/County and/or member of the Planning Committee, please attend any one of the meetings at a location most convenient for you.

Also, please encourage public involvement in the mitigation planning process, by forwarding this email, posting the attached flyer at key locations and talking about it at other meetings, etc.

Greene County, New York Multijurisdictional All-Hazards Mitigation Plan Update

Are you interested in helping your Town/Village become more resilient?

Do you have a question or comment about minimizing future damages from natural hazards (flooding, landslides, etc.)?

Your input is welcome!

Please attend any one of the following meetings:

August 24th

Lexington Town Hall
3542 Route 42
Lexington, NY
7:00 pm

August 25th

Washington Irving Senior Center
15 Academy Street
Catskill, NY
7:00 pm

September 16th

Coxsackie Village Office
119 Mansion Street
Coxsackie, NY
7:00 pm

September 17th

Greene County Emergency Services
25 Volunteer Drive
Cairo, NY
7:00 pm

Please fill out the online survey

<https://www.surveymonkey.com/s/greencountymitigation>

Greene County Emergency Services

For background information: the mitigation plan focuses on local policies and actions for reducing risk and future losses from natural hazards such as floods, severe storms, severe winter storms, earthquakes and landslides. The plan will meet the federal planning requirements as per Disaster Mitigation Act of 2000 that require local governments to develop a hazard mitigation plan to be eligible for receiving certain non-emergency disaster assistance, including funding for hazard mitigation projects.

If you have any questions regarding the upcoming meetings or the mitigation planning process, please reply to this email or contact:

Daniel King
Emergency Management Specialist
Greene County Emergency Services
25 Volunteer Drive, Cairo, NY 12413
